All Age Adoptions Plus
Fee Schedule and Agreement
2021

Joyful World Ministries, Inc. dba All Age Adoptions Plus is a non-profit agency that believes every child deserves a home. We are dedicated to finding the right home for every child that comes to us and to helping people, who want to be parents, realize their dream through adoption. It is our intention to make adoption as affordable as possible and to a wide range of families. We work at keeping our expenses and cost low and our quality of service high.

We provide individual care and attention, and therefore not every situation or expense can be predicted or outlined here. The following fee schedule and agreement covers many of the services we provide on a regular basis. We will be happy to meet with at no charge to you, in person or by phone, to discuss your individual situation, the adoption process and our fees.

Parent's statement of understanding and agreement:

I understand that fees are for a small portion of the cost of agency operation, fees for services and direct expenses.

I understand that all fees are for services rendered and/or costs incurred and cannot be reimbursed once the service is rendered or the cost is incurred.

I understand that it is illegal for anyone to pay or promise something for placing a child for adoption in this country and every other country.

I understand that for a direct agency placement our exact fees will be stated in our contract and may reflect a change and/or more detail.

I have had an opportunity to discuss and ask for clarification of the fees and schedule with Joyful World Ministries, Inc. dba All Age Adoptions Plus Staff.

I understand that although Joyful World Ministries, Inc. dba All Age Adoptions Plus will make every effort to notify us, all fees are subject to change without prior notice. A new fee agreement may need to be signed as part of the annual update of paperwork.

I agree to pay fees on schedule.
